

**BROOKVIEW**  
MONTESSORI SCHOOL

**ELEMENTARY SUMMER CAMP THEMES**

<b>Dates</b>	<b>Theme</b>	<b>Teacher</b>	<b>Description</b>
<b>June 13-17</b>	<b>A Little 'Calder' in the Summer</b>	<b>Jane Cowley</b>	<b>Art is wonderful for children at any time of year, but the warmth of summer is particularly conducive. During this first week of camp, Ms. Jane will work with the students on exploring and creating Calder-influenced mobiles and sculptures.</b>
<b>June 20-24</b>	<b>Space Camp</b>	<b>Maggie Bischoff</b>	<b>Enjoy planetary exploration with Ms. Maggie! Students will experience a variety of activities, including arts projects, crafts, and games, all having to do with the cosmos.</b>
<b>June 27-July 1</b>	<b>A Musical Medley</b>	<b>Special Guest Instructor Perry Heppler</b>	<b>The week will be filled with music and movement. Participants will sing, drum and improvise on a wide variety of percussion and Orff instruments, while learning folk and international tunes. We'll touch on some basics of music theory, including some work with the Montessori music materials.</b>
<b>July 5-8</b>	<b>Homage to the Masters</b>	<b>Jane Cowley</b>	<b>During this week, students will explore the varying techniques and aesthetic of master artists and create paintings à la Van Gogh, Matisse, Pollack, and Picasso.</b>
<b>July 11-15</b>	<b>Spanish Immersion Camp</b>	<b>Monica Vallejo</b>	<b>Ms. Monica will guide students through our first ever Spanish Immersion Camp! Students will enjoy enticing lessons and activities that will “immerse” them in the beauty of Spanish language, and wherever the child begins, this week will surely bring them to a new level!</b>

<b>July 18-22</b>	<b>Gaming Camp</b>	<b>Maggie Bischoff and Jack Kallicragas</b>	<b>This week is designed to increase appreciation for screen-free games. Students will enjoy everything from old-fashioned board and card games to in-depth role-playing games. They will also design their own game!</b>
<b>July 25-29</b>	<b>Musical Play: The Garden Show</b>	<b>Perry Heppler</b>	<b>Participants will work together to produce a light-hearted musical play based on garden themes. The week will culminate in an informal performance for parents and family members.</b>
<b>Aug 1-5</b>	<b>Art and Nature</b>	<b>Special Guest Instructor: Morgan Ingle</b>	<b>Art is so often inspired by nature. In this camp, students will study some art, some nature, and be painting, drawing, printmaking, and doing sculpture inspired by nature.</b>
<b>Aug 8-12</b>	<b>Fiber Dyeing Camp</b>	<b>Gwen Truhn</b>	<b>In this arts focused S.T.E.A.M. camp we will learn about fiber dyeing with a focus on natural and botanical pigments. Students will explore techniques used to dye patterns on fabric including folding, tying, and stitching and experiment with different natural dyes.</b>
<b>Aug 15-19</b>	<b>Sports Sports Sports!</b>	<b>Damon Wolf and Jack Kallicragas</b>	<b>Mr. Damon and Mr. Jack are looking forward to a week of running, jumping, and playing all kinds of sports. The exercise and outdoor exposure will be great, and students will also discuss sportsmanship and healthy competition.</b>
<b>Aug 22-24</b>	<b>Cooking Camp</b>	<b>Maggie Bischoff</b>	<b>For the last three days of Summer Camp, Ms. Maggie will be cooking with the students, emphasizing the creative aspects of cookery and safe use of utensils. Monday, Tuesday, and Wednesday will be focus on Breakfast, Lunch, and Dinner, respectively.</b>
